## 📋 OBJECTIVE

Excellent chemist with specialized knowledge of the principles of chemistry science techniques, and applications. Seeking for a place at your group where the strong and advanced lab facilities and abilities will be fully maximized to help the planet and the environment to create a sustainable innovation.

## 🎓 EDUCATION

### Master of Chemistry Science | King Abdullah University of Science and Technology

AUG 2022 – PRESENTS

### Bachelor of Chemistry Science | King Faisal University

AUG 2017 – MAY 2021

GPA: 4.68 out of 5.00 with honor. Completed Organic Chemistry, Analytical Chemistry, and Heterocyclic Compounds

## 📁 EXPERIENCE

### Recycling Project Leader | King Faisal University

AUG 2018 – JUN 2018

Provided service and information about recycling to people at home, car & workplace. Leading the session about the importance of practicing recycling and how it could help the earth. Preparing, printing, and posting the recycling signs to remind the student to follow university recycling policies.

### Leader of science college media team | King Faisal University

AUG 2020 – MAY 2021

Provided a plan for each semester with the workshops and the events we will be going to do. Encourage the team to search, organize and participate effectively. Develop the communication between the students and the faculty members by creating a virtually panel discussion.

## 🔧 SKILLS

- Declamation and public speech
- Bilingual, Arabic and English
- Teamwork
- Proficient in researching
- Proficient in Word, and PowerPoint with basic knowledge of Excel.

## CERTIFICATIONS

- Chemdraw, tool that allows to draw chemical structures and reactions as well as mechanisms
- RefWorks, the web-based bibliography and database manager that allows us to create our own personal database by importing references from text files, etc.
- IELTS English score **(6.0)**
- TOEFL ITP **(557)**
- Harvesting Water from Desert Air by Professor Omar Yaghi from University of California Berkeley
- Honors list for 6 semesters for high GPA and excellent student
- Saudi Chemical Society ranked my article as one of the best articles overall KSA that has been written by a Saudi chemist.
